

## Paper Folding Cartons

BrownBox Paper Folding Cartons are durable, food-grade kraft packaging designed for takeout, delivery, and food storage. Their sturdy, grease-resistant construction and secure fold-lock design help keep food fresh while minimizing leaks and spills.

### Key Features:

- Premium food-grade kraft paper
- Strong and grease-resistant
- Secure fold-lock closure
- Quick and easy assembly
- Suitable for hot and cold foods

| Item Code             | Description              | Colour | Pieces/Case |
