

DELI COMBO CONTAINERS

BrownBox

Ideal for deli, grocery store, or restaurant food prep and take-out applications. These heavy duty deli containers can be used for hot soups or cold pasta salads for delivery, carry out or storage in the freezer or heating in the microwave later. Designed to be easily stackable in to-go bags. Containers come as a combo with containers and lids included. Clear, tight-fitting lids provide optimal product visibility and protection from messes and spills.

- Leak proof
- PP Takeout food containers are reusable
- Available in various Sizes.
- Great option for prepared foods or food to-go,
- Easily go from refrigeration to a microwave to a dishwasher!
- Materials: Polypropylene
- Temperature: 20° C-120° C
