

VINYL GLOVES

BrownBox

BrownBox Powder-Free Vinyl Gloves combine durability, flexibility, and comfort, making them an excellent choice for food service, cleaning, and everyday tasks. The powder-free design helps prevent skin irritation, while their ambidextrous shape and smooth texture ensure ease of use and a secure grip. Designed for sensitive skin and a wide range of applications, these gloves provide dependable protection and comfort.

- Clear vinyl construction for a professional appearance.
- Excellent elasticity for a snug yet flexible fit.
- Made from 100% premium vinyl resin for enhanced durability.
- Allows for smooth finger movement, ensuring precision and comfort.

Single Use

Non Sterile
